

The Great Idea Behind this Store

It hasn't been our purpose to make this good clothes store simply big in size. Rather all our thoughts, our efforts, have been directed toward making it genuinely useful to the community—a real public benefit. And our steady, consistent growth is not due to us, so much as it is to the steadfast loyalty of our patrons. It's their way of telling us that they believe in this store, its merchandise and its policies; that this is the kind of a store they want and always have wanted.

Capt. H. F. Burnside, who will command the steamer Homer Smith now being built by the Howard Shipyard Company in Jeffersonville, applied for documentation papers at the office of Warner S. Kinkead, surveyor of the port, Louisville. The Security Steamboat Company, of Point Pleasant, W. Va., is the owner of the boat, which will be launched the first week in July.

According to Capt. Burnside the steamer will be the largest stern-wheel excursion boat ever built in this section. It will be 240 feet long and will have a fifty-foot beam. Tandem Compound engines will be used. They are being built at Marietta, O. The boat, which will ply between Pittsburgh and New Orleans, will have a capacity of between 2,500 and 3,000 passengers and will cost about \$75,000. CATHOLIC VOWS STAND

Church Law Upheld By Supreme Court In Decision By Hughes.

Washington.—Doubt cast upon the validity of vows of poverty in many Catholic orders was removed by the Supreme Court, reversing the decision of the Eighth United States Circuit Court of Appeals.

The lower court, sitting in Minnesota, held the vows void as against public policy, on the ground that they did not permit a person making them ever to withdraw from the order. The Supreme Court, speaking through Justice Hughes, announced that the lower court had fallen into error by not distinguishing between the religious and civil natures of the vows. It was pointed out a person was permitted under the organization of the orders to withdraw civilly, although his withdrawal in a religious sense was a matter of conscience.

The case arose in the settlement of the estate of Father Augustin Wirih, in charge of a church at Springfield, Minn., at the time of his death, despite his vow to the order of St. Benedict to possess no property and to turn over to the order all his worldly possessions.

In the presentation of the case to the court it was stated that the decision of the court below, if sustained, would throw in doubt the title to millions of dollars worth of property now held by religious orders, particularly those of the Catholic Church, which had incorporated into their regulations vows to poverty.

Deafness Cannot be Cured by Local Applications, as they cannot reach the seat of the disease. There is only one way to cure deafness and that is by constitutional remedy. Deafness is caused by an infected condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound in your ears, and when it is inflamed closed, deafness is the result, and unless this inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever, since the cause of deafness is by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

MAY PROVE FATAL

When Will Maysville People Learn the Importance of It?

Backache is only a simple thing at first. But if you find 'tis from the kidneys.

That serious kidney troubles may follow. That dropy or Bright's disease may be the fatal end.

You will be glad to know the following experience.

'Tis the statement of a Maysville citizen.

Mrs. Della Lunsford, 328 E. Front St., Maysville, Ky., says: "I attributed kidney trouble to a strain. I had sharp shooting pains through my kidneys and a dragging down feeling through my hips. I had dull headaches and dizzy spells and often if I had not caught hold of something for support, I would have fallen. I was in that condition for several years, up one week and in bed the next. I finally began to notice symptoms of dropsy and in a short time I was suffering from that trouble. My feet began to swell and my hands were at times the same way. At night I was restless and always felt tired. I read of a similar case being cured by Doan's Kidney Pills and I got a supply. Before long I was completely and permanently cured. Doan's Kidney Pills saved my life. I am glad to confirm my former endorsement of this remedy."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lunsford had. Foster-Milburn Co., Props., Buffalo, N. Y.
